A certified catechist for the Rockford diocese, Mr. Berg is also a certified teacher and has over fifteen years of teaching and administrative experience.

Great Job Gaby and Olivia: 100% on their AP Calculus AB semester exam!!!

Thank You, Mr. & Mrs. Holliday!

The grandparents of Robert and Joebob White have generously donated a new water fountain to the Academy! Located on the first floor right outside the girls' bathroom, you'll find a shiny cooler that works perfectly! No one will be more grateful than our students and sports participants! Thank you, again, Mr. & Mrs. Holliday!
